**SPECIAL COMMISSION / GENERAL AUTHORITY PEACE OFFICER AGREEMENT  
BETWEEN THE SQUAXIN ISLAND TRIBE AND MASON COUNTY 2016**

**Exhibit A**

**PREAMBLE**

The Squaxin Island Tribe, a federally recognized Indian Tribe organized pursuant to Section Sixteen of the Indian Reorganization Act of 1934 (25 U.S.C. §476), hereinafter "TRIBE," and Mason County, Washington, hereinafter "COUNTY," through the Mason County Sheriff, hereinafter "SHERIFF."

THIS AGREEMENT IS ENTERED INTO UNDER THE Inter-local Cooperation Act (Chapter 39.34 RCW), the Mutual Aid Peace Officers Powers Act (10.93 RCW), Chapter 10.92 RCW (Tribal Police Officers), and the Constitution and Bylaws of the Squaxin Island Tribe.

**INTENT**

The TRIBE and the COUNTY each wish to protect the lives and property of all people within their respective jurisdictions and particularly within the exterior boundary of the Squaxin Island Reservation and within the lands and waters treaty rights are exercised. The TRIBE and the COUNTY, therefore, have entered into this Agreement governing certain aspects of the relationships between the COUNTY and TRIBE with respect to the special commission of tribal law enforcement officers as special commission reserve officers, and as to qualifying tribal law enforcement officers as state general authority peace officers.

The Mason County Sheriff's Office ("MCSO") is a general authority law enforcement agency and its officers have general authority as Washington peace officers as defined in RCW 10.93.020. The purpose of this agreement is to provide for Squaxin Island Tribal peace officers to be specially commissioned Washington peace officers under RCW 10.93.020(5), and general authority peace officers under RCW 10.92.020, to detect and apprehend persons committing infractions or violating the traffic or criminal laws in general of the state of Washington.

ACCORDINGLY, THE PARTIES AGREE AS FOLLOWS:

**Section I. Definitions**

As used in this Agreement:

**Approved Tribal Officer:** means a law enforcement officer employed by the TRIBE, who has submitted to a background check and training as required by the COUNTY, and has thereafter been granted a commission by the SHERIFF.

**Commission:** A special commission as a Level 3 Reserve Peace Officer granted to an Approved Tribal

Officer in accordance with this Agreement.

**Commission Card:** An identification card issued by the MCSO to an Approved Tribal Officer.

**Designated Offenses:** All infractions and violations of the laws of the state of Washington, whether civil or criminal, and of any Model Traffic Code adopted by Mason County.

**Reservation:** The Squaxin Island Tribe's Reservation and any land held in trust for the benefit of the Squaxin Island Tribe or its members by the United States government, and all territory within the exterior boundaries thereof, including without limitation all roads, rights of way, easements and waterways within such exterior boundaries.

## **Section II. Jurisdiction**

Nothing in this Agreement shall be construed to cede any jurisdiction of either of the parties, to modify the legal requirements for arrest or search and seizure or to otherwise modify the legal rights of any person, to accomplish any act violative of state or federal law or to subject the parties to any liability to which they would not be subject by law.

## **Section III. Issuing Special Commissions**

The SHERIFF may grant in his sole discretion a special commission as a Level 3 Reserve Officer. Applications for commissions shall be submitted in writing to the SHERIFF or his designee. Each application shall be accompanied by all background information on the applicant known to the TPC, appropriate waivers allowing the standard SHERIFF'S Office pre-employment investigation, and such other information as may be required by the MCSO. The applicant may be required to undergo a polygraph examination. The SHERIFF shall grant or deny each application within a reasonable period of time. The granting of a special commission shall be evidenced by the issuance of a commission card to the officer receiving the commission. No commission shall be denied on the basis of race, creed, sex, color or national origin. An applicant shall have successfully completed the Washington State Basic Law Enforcement Training Academy or a certificate of equivalency or have been exempted from the requirement thereof by the Washington state criminal justice training commission or successfully completed the equivalency examination process and completed the 2 week challenge from the Washington State Law Enforcement Training Academy.

Such special commission is for the sole purpose of empowering Approved Tribal Officers to detect and apprehend persons committing infractions or violating Designated Offenses under Washington State Law. Such commission shall so empower tribal officers when such infractions or violations occur within the Reservation or in the officer's presence outside the Reservation Boundaries.

## **Section IV. General Authority Tribal Peace Officers**

Any Tribal law enforcement officer qualified for a special commission under Section III, above, shall be granted the status of a general authority peace officer, and in addition to those authorities described above, shall be able to exercise those authorities granted under RCW 10.93.070 and other law, contingent upon full satisfaction of the requirements of Chapters 10.92 and 10.93 RCW.

## **Section V. Suspension and Revocation of Special Commissions**

The SHERIFF or his designee may, at any time, suspend or revoke the special commission of any Tribal law enforcement officer for reasons solely within his discretion. The MCSO shall inform the TPC of a proposed or anticipated suspension or revocation and written notice of any such suspension or revocation and the reasons for such action.

**Section VI. Scope of Powers**

An Approved Tribal Officer shall have a special commission card in his or her possession at all times when acting pursuant to the commission. The special commission shall empower Approved Tribal Officers to detect and apprehend persons committing infractions or violations of all Designated Offenses when they occur within the Reservation or in the officer's presence outside the Reservation boundaries. Such power shall include the power to make arrests. Tribal law enforcement officers commissioned pursuant to this Agreement shall comply with the applicable constitutional and statutory provisions concerning enforcement of state laws when exercising such authority. Any court actions resulting from the exercise of a commission shall be filed in state court, and any referral for prosecution shall be made to the COUNTY Prosecutor. Tribal law enforcement officers shall remain under the control of the TRIBE, but when acting under the authority of a special commission or as a general authority peace officer shall abide by the rules and regulations of the SHERIFF, all State laws and regulations, the State and Federal Constitutions, and shall be subject to the direction of the SHERIFF'S Office.

**Section VII. Report of Exercise of Commission Powers**

The circumstances surrounding any actual exercise of peace officer authority to a special commission shall be immediately reported to the SHERIFF'S Office Dispatcher and shall be timely reported, after the fact, to the MCSO and subject to the reporting procedures established by the MCSO.

**Section VIII. Hold Harmless/Indemnification**

Any liability or claim of liability which arises out of the exercise or alleged exercise of authority by an officer acting with the course and scope of the officer's duties as a specially commissioned or general authority peace officer is the responsibility of the primary commissioning agency unless the officer acts under the direction and control of another agency.

**Section IX. Insurance/Immunities**

The TRIBE agrees to maintain insurance policies in the amount of \$1,000,000.00 per occurrence insuring against claims for false imprisonment, false arrest, public liability, property damage and police professional liability and shall maintain the policy in full force and effect during the life of this Agreement. If this Agreement is terminated for any reason, the TRIBE agrees to continue to carry the insurance for all actions taken under this Agreement until such time as protection from suit is granted by the statute of limitations. In the event the coverage is on a claims-made basis, the TRIBE must ensure that the coverage extends to the statute of limitations in each policy year.

The insurance shall include the COUNTY as an additional insured and refer to and support the TRIBE'S obligation to hold harmless the COUNTY, its officers, elected officials and employees. Such insurance shall provide 30 days written notice to the COUNTY in the event of cancellation or material change and include a statement to the effect that no act on the part of the insured shall affect the coverage afforded to the COUNTY under this insurance. The insurance company or the TRIBE will provide written notice to the COUNTY within thirty (30) days after any reduction in the general aggregate or occurrence limits. The TRIBE shall provide the COUNTY with a certificate of insurance prior to the contract effective date. The COUNTY, at its option, may require a complete copy of the above insurance policy.

The TRIBE waives sovereign immunity to suit only upon claims asserted by the COUNTY, the amount and nature of which are within the coverage and limits of the TRIBE'S insurance policy. Policies of insurance obtained by the TRIBE purchased pursuant to this section shall prohibit the insurer asserting a defense of sovereign immunity to claims made under the policy. All immunities enjoyed by COUNTY law enforcement officers under state or federal law shall inure to the benefit of Tribal law enforcement officers when acting under a commission under the terms of the Agreement.

**Section X. Oversight Committee**

A committee consisting of the TRIBE'S Chief of Police, the SHERIFF or his designee, and the Mason County Prosecutor or his designee, shall review activities and methods of performance pursuant to this Agreement. The committee shall meet annually, or more frequently, as needed, to discuss the operation of the Agreement. The committee may recommend to the signatories of the Agreement any amendments to this Agreement. :

**Section XI. Duration/Revocation of Agreement**

This Agreement shall remain in full force and effect for a period of ten years, or unless terminated by either party as provided in this Agreement and shall be subject to renewal by the Agreement of the parties at the end of the ten-year period. Either party may terminate this Agreement at any time. Termination shall be immediately effective upon receipt of written notice.

**Section XII. Amendments**

This Agreement shall not be amended except by an instrument in writing executed by the signatories below and attached to this Agreement.

**Section XIII. Notice**

Any notice required or permitted to be given under this Agreement shall be deemed sufficient if given in writing and sent by registered or certified mail.

In the case of the COUNTY, notices shall be sent to:

Mason County Sheriff  
P.O. Box 1037  
Shelton, WA 98584

In the case of the TRIBE, notices shall be sent to:

Squaxin Island Tribe Chief of Police  
70 SE Squaxin Lane  
Shelton, WA 98584

With a copy to:  
Squaxin Island Legal Department  
3711 SE Old Olympic Hwy  
Shelton, WA 98584

**Section XIV. Severability/Duration of Commissions**

If any provision of this Agreement or its application to any person or circumstance is held invalid, the remainder of the Agreement or the application of the provision to other persons or circumstances is not affected. Because the source of legal authority to grant, revoke, and suspend the commissions described in this Agreement is separate from and independent of the terms of this Agreement, the invalidity of all or any portion of this Agreement shall have no effect on the validity of such commissions, which shall remain in effect until suspended or revoked at the discretion of the SHERIFF or his designee.

The effective date of this Agreement shall be the 1st day of April 2016.
